Mission Statement

Cornerstone Christian Academy's mission is to serve God by providing a quality education that is Christ-centered and academically challenging for all children throughout our community.

Vision Statement

At Cornerstone Christian Academy, our vision is to cultivate a community of lifelong learners who are grounded in faith, equipped with academic excellence, and empowered to make a positive impact in the world. Rooted in our mission to serve God, we strive to equip our students with a deep understanding of their identity as image bearers of God. Through rigorous academics and a nurturing Christian environment, we envision our students becoming compassionate leaders, critical thinkers, and devoted followers of Christ who are committed to serving God and others, while embracing their calling to live out God's purpose with integrity, compassion, and excellence.

Purpose

CCA exists to train students to be “in the world” through academic excellence, but not “of the world” through transformed character. CCA provides a Christian environment in which faith can be integrated with learning to enable students to become spiritually, academically, emotionally, socially, and physically prepared for their calling as image bearers of God, that they may achieve all that God desires for them. The purpose of CCA is to provide a total education - through training, application, and example - that is both distinctively Christian and academically challenging.

Doctrinal Statement

- A. We believe that the Bible, consisting of 66 books of the Old and New Testaments, inspired by God, free from error in doctrine, fact and ethic, and inerrant in the original writings, is the Word of God and the only infallible and authoritative rule of faith and practice.
- B. We believe in the Holy Trinity, one God eternally existent in three persons - Father, Son, and Holy Spirit - the same in substance, equal in power and glory.
- C. We believe in the Deity of our Lord Jesus Christ, His virgin birth, His sinless life, His miracles, His vicarious and atoning death, His bodily resurrection, His ascension to the right hand of God the Father, and His personal and physical return in power and glory.
- D. We believe that God created man in His own image but that through sin, man brought upon himself and his posterity not only physical death, but also spiritual death which is separation from God; that all human beings by physical birth possess a sinful nature.
- E. We believe that the salvation of lost and sinful man is a free gift of God's grace apart from works, based solely upon Christ's vicarious and atoning death, effected by the regenerating work of the Holy Spirit, and received by trusting in Christ's finished work on the cross, and that this salvation is eternally secured to all believers.
- F. We believe in the present ministry of the Holy Spirit, by Whose indwelling upon salvation, the Christian is enabled to live a Godly life; that is incumbent upon every believer to walk worthy of his calling - to walk after the Spirit and not after the flesh.
- G. We believe in the resurrection of the body of both the saved and the lost - they that are saved to the resurrection of life everlasting and they that are let to the resurrection of eternal damnation.
- H. We believe in the spiritual unity of believers in the Lord Jesus Christ.

- I. We believe that while the education of children is the responsibility of parents, the school functions as an agent for parents as teachers and administrators cooperate closely with them in every phase of the student's development.

Non - Discrimination Policy

CCA admits students of any race, color, nationality and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of educational policies, admissions policies, scholarship and loan programs, and athletic or other school administered programs.

Conduct Admittance Policy

Scripture is very clear that all persons are born as a biological male or female with a sin nature, and all persons are sinners in the eyes of God. The significance the Bible places on the severity of sexual immorality, and our commitment to a "Christ-centered" environment demands certain standards for admittance to CCA. Therefore, students will NOT be permitted to attend CCA who professes any sort of sexually immoral life or an openly sinful lifestyle including but not limited to: promiscuity, homosexuality, transgender, etc. Furthermore, students will NOT be permitted to attend CCA who consume alcohol, use drugs, and/or are involved in any unlawful activity.

- The monthly lunch fee is \$30 per student and is a flat monthly rate. This fee remains \$30 regardless of the number of days a student chooses to eat lunch during the month.
- The only exception is if a student does not purchase or eat school lunch at all for the entire month. In that case, the monthly lunch fee will not be charged.

CCA School Week
Monday through Thursday 7:45 – 4:00

Attendance

Students WILL NOT be allowed to attend school unless ALL handbook forms are completed and returned to the office. These absences will count towards their 10 days (for the semester).

Tardy Policy: Students will be considered tardy if they arrive after 7:45.

Promptness is the responsibility of each student. Students who are late to class show a disregard for both the teacher and their classmates, which compromises potential student achievement. Any tardiness of more than TWENTY minutes will result in an absence for that class. If a student should be tardy, he/she will go to the office to receive a tardy slip.

The following corrective measures will be administered for unexcused tardiness:

First tardy – verbal warning

Second tardy – one day of detention

Third tardy – two days detention

Fourth tardy – three days of detention

Fifth tardy – Student will receive an unexcused absence for that period.

*After the fifth tardy, the disciplinary sequence will restart at the second tardy consequence (one day of detention).

Absentee Policy:

It is most important for students to be at school each day. Understandably, circumstances do occur that may result in a student's absence.

Refer to the following if absentees occur:

In case of an absence, a dated parent/doctor note explaining the reason for the absence should be taken to the main office. The note must be sent within 3 days a student returns from an absence. Students will not be allowed to receive credit for homework, quizzes, or tests until an excuse from a parent, guardian or doctor has been sent and approved as an excused absence. Students with excused absences will have 1 class day to make up their work for each class day they are absent.

- An absence may be excused due to personal illness, serious illness in the family, death in the family, medical appointments, and exceptional circumstances.
- **Family vacations and trips will be considered an unexcused absence** and should be scheduled during school out days since it is often difficult for a child to make up work missed during an absence.
- **All other absences are unexcused, and a student will not be able to receive credit for required make up work.**

- If a student is absent half a day, and he/she returns to school, the student is responsible for getting his/her work in the class he/she missed. The student will be responsible for the missed work the next school day.
- Unexcused absences will not receive credit in all classes, and all class time must be made up in detention.
- A student who has been suspended from school for any reason will not receive credit for all required make up work in all classes missed.
- If a student is ill, the parent must call the school office or contact administration by 8:30 a.m. to request make-up work. Make-up work will be ready at the end of the school day (if requested). Teachers will not be expected to stop all duties and prepare make-up work immediately, as the teaching process for those students present will be hindered.

Approved Excuses:

***A doctor, legal, military, funeral, or any other extenuating circumstance will NOT count against a student's 10 absences but will count towards test exemptions.**

-Students shall not be absent more than 10 days in a semester.

-Students with 10 absences in a course in a semester shall not receive credit for that course.

-Whenever a student reaches 8 absences in a semester, the parents and student will be required to meet with the CCA Board of Directors.

- If a student is absent half a day and he/she returns to school, the student is responsible for getting his/her work in the class he/she missed. The student will be responsible for the missed work the next school day.
- Unexcused absences for which no permission slip is granted will not receive credit in all classes, and all work must be made up in detention.

Semester Exams:

Students may be exempt from semester tests if they meet any of the following requirements in class:

1. A with no more than 5 absences that semester
2. B with no more than 4 absences that semester
3. C with no more than 3 absences that semester

*Students may not be exempt if they have been assigned in-school suspension or have been suspended from school for any reason during the semester in question.

Semester exams must be taken during scheduled times.
No exceptions unless sickness or an emergency occurs.

Check-Out Policy ~ Everyone Must Follow This Procedure!

- Occasionally, a student may need to leave school before 4:00 due to certain situations such as medical appointments, legal appointments, etc. Students will not be allowed to check out to take care of things that can be done after 4:00 (example: haircuts, business in town, tanning, pick up items for class, etc.) The procedure for checking out is as follows:

Students must be signed out by the parent/guardian at the main office and a reason for the early dismissal must be provided.

Student drivers may sign themselves out only if a parent/guardian has contacted administration in advance (or sent a note) stating the reason for early dismissal.

- If a parent/guardian is unable to come to school to sign the student out, the student must have a note or text from the parent/guardian.
- The note should tell the student's name, the time he/she is to leave school, the student's destination, and the means of transportation.
- This note should have a phone number where the person signing the note can be reached.
- When it is time for the student to leave, the student will then sign the checkout sheet, stating the time leaving and the destination.
- Phone calls for early checkout will be accepted only for sudden illness of the student or a family emergency.

Child Custody Policy

If there is any uncertainty about a student's legal custody, the custodial parent must provide documentation to the principal/main office verifying custody. It is the custodial parent's responsibility to inform the principal of any court-ordered "no contact" directives or other restrictions concerning the non-custodial parent by submitting a copy of a file-marked court order.

Without a court order on file, the school is authorized to release the student to either parent. Non-custodial parents who provide the principal with a date-stamped copy of current court orders granting visitation rights may have contact with their child during school hours, including eating lunch, volunteering in the classroom, or other approved interactions, subject to the prior approval of the principal.

In accordance with Arkansas law, unless prior arrangements are made with the school principal, custody exchanges between custodial and non-custodial parents, when both are present, are prohibited on school property during normal school hours on regular school days.

Non-custodial parents are not permitted to use the school as a location to visit with their children. For divorced parents, a copy of the court order specifying visitation rights must be provided and kept on file in the school office. The principal will enforce the non-custodial parent's rights strictly as outlined in the court order.

When the non-custodial parent is to be denied access to the student, the custodial parent must provide the principal with:

- A copy of the court order giving custodial right to the parent.
- A written statement to the principal that such denial is approved by the custodial parent.

Release of Student Records

1.1 The school shall comply with all applicable federal and state laws regarding the release of student records, including the Family Educational Rights and Privacy Act (FERPA).

1.2 Student records will only be released to parents, guardians, or individuals with legal rights to access such information as specified in custody agreements or court orders on file with the school.

1.3 Parents or guardians requesting access to student records must:

- Provide valid identification.
- Submit a written request if required by school procedures.

1.4 In the event of conflicting requests from parents or guardians, the school will adhere to the terms outlined in the most recent court order or custody agreement provided to the school.

Filing of Court Orders

2.1 Parents or guardians must provide the school with a copy of any current court orders or custody agreements that affect the custody or release of the student.

2.2 Court orders must be:

- Dated and signed by a judge or other authorized legal official.
- Filed with the school's administrative office.

2.3 The school will maintain court orders and custody agreements in the student's confidential file.

2.4 It is the responsibility of the parent or guardian to notify the school of any changes to custody arrangements or court orders and to provide updated documents.

2.5 The school will not act on verbal agreements or unsigned documents.

Disputes and Conflicts

3.1 In the event of disputes between parents or guardians, the school will remain neutral and adhere strictly to the documentation on file.

3.2 School staff are not authorized to mediate custody disputes or provide legal advice.

3.3 If a dispute disrupts the school environment or student safety, law enforcement may be contacted

Acknowledgment

Parents or guardians must acknowledge receipt and understanding of this policy by signing a copy at the time of enrollment or when custody arrangements are updated.

Automobile Policy

It is a privilege to be able to bring a car to school.

1. CCA follows Arkansas Driver's License Law. Under this law, teens with an intermediate license (ages 16–17) cannot transport more than **one unrelated minor passenger** unless accompanied by a licensed driver 21 or older. Students who are 18 years of age or older may transport **no more than one unrelated minor (if student has no bad record and does not have a restricted license)**.
2. All student-driven cars are to be registered in the main office before the student begins driving to school.
3. Each driver should be an example of courteous careful driving habits. Follow the directions of those directing traffic and use vehicle turn signals.
4. Cars are to remain parked until students leave for the day.
5. Cars are not to be occupied during school hours, nor are students to sit in parked cars while waiting for school to begin or after school dismisses.

Failure to observe these policies will necessitate cancellation of the privilege to drive your car to school.

CCA's Official Means of Communication

The CCA Board of Directors states our school's official means of communication is SmartSend (SchoolCast). This system allows parents to be reached by home phone, phone, text, or email.

Inclement Weather

School closing announcements will be made via SmartSend (SchoolCast) and Facebook.

Inclement Weather Closures: Cornerstone Christian Academy (CCA) has built additional instructional days into the school calendar to account for a limited number of weather-related

closures. Therefore, missed school days due to inclement weather will not automatically require students to attend school on Fridays. CCA will not utilize Alternative Methods of Instruction (AMI) days. If weather-related closures exceed the instructional days built into the calendar, school will be held on scheduled Fridays as needed to meet the state's required instructional days.

Bible

Bible study is recognized here as of fundamental importance and is a required subject. It augments the study of English, history, math, and science. Without knowledge of Biblical truth, a student cannot be considered educated. The Bible gives direction for this life and the only hope for the life to come. No other book can so enrich the minds and hearts of men as "The Book of Books." A knowledge of the Bible is one of the greatest educational assets anyone can have in addition to the moral and spiritual values resulting from the study of it. Character development is the most important work of a school. No other course offered in the school affords greater opportunities for laying the foundation for Christian character.

CHAPEL ATTENDENCE- The student body attends chapel on Wednesdays. Chapel speakers which include great preachers, missionaries, and teachers will challenge and inspire students to practice the truths of God's Word. Chapel is mandatory! **Being punctual as well as attending is very important!**

*Homeroom teachers will take roll and check for tardies and absentees in his/her classroom before leading his/her class to Chapel. The **Bible is a required book for chapel.** Homeroom teachers will have a Bible check before going to chapel. If you do not have your Bible the policy will be followed for bringing appropriate books to class.

* If there are more than three unexcused tardies or absentees TO CHAPEL, a corrective measure will be administered upon administration recommendation.

Because of the importance Cornerstone Christian Academy places on the study of the Bible, a student who fails Bible two consecutive semesters will not be allowed to return the following semester.

Communicable Diseases

Cornerstone Christian Academy desires to maintain a healthy school environment by instituting controls designed to prevent the spread of communicable diseases. The term communicable disease shall mean an illness which arises as a result of a specific infectious agent which may be transmitted either directly or indirectly by a susceptible host or infected person or animal to other persons.

*A teacher or administrative official who reasonably suspects that a student or employee has a communicable disease shall immediately notify the principal.

Students and employees with communicable diseases, for which immunization is not available, shall be excluded from school while ill. If the nature of the disease and circumstances warrant, CCA may require an independent physician's examination of the student or employee to verify the diagnosis of communicable disease. CCA reserves the right to make all final decisions necessary to enforce its communicable disease policy and to take all necessary action to control the spread of communicable diseases within the school.

Homework

Homework will be a part of school life at Cornerstone Christian Academy. Depending upon the grade level, the time of the grading period, and the student, the amount of homework brought home may vary. If a student spends what appears to be an excessive amount of time on homework, the parent should investigate these possibilities first: student procrastination with long range projects (ex. projects, notebooks, book reports, etc.); improper use of study time at school or inefficient study habits at home. If none of these seem to apply and the homework is frequently excessive, then please consult the teacher.

Every effort will be made to keep homework at a minimum on Wednesdays. Some homework and study time for tests are unavoidable on that night.

If utilized correctly, homework assignments can strengthen and enhance the learning process as it occurs each day in the classroom. In addition, it will have a cumulative effect that will better prepare your child for the college or career God has for him/her.

Other benefits include:

- It provides parents with a daily opportunity to have a positive impact on their child's education and future.
- It teaches the child responsibility.
- It provides a key link between home and school.
- It reinforces skills taught in the classroom.
- It develops study habits needed throughout life.
- It prepares students for better class discussion, tests, etc.
- It facilitates understanding of new concepts.

We request parents' full cooperation in seeing that the assignments are completed. Failure to complete homework will affect the student's daily grade.

Classroom Behavior Policy

1. Be in your seat unless you have permission.
2. Unnecessary talking and rude gestures are prohibited.
3. Bring required books and needed materials to class.
4. Be respectful of other people and property that does not belong to you.
5. Hands, feet, and any other objects should be kept to yourself.
6. Be loyal to Christ's school.

Students should abide by these basic guidelines:

- Immediate Obedience - Students should respond positively to any instruction by those in authority. (Ephesians 6:5-7)
- Honor Authority - Students are expected to give honor to all those in authority in both attitude and action. (Romans 13:1-2)
- Absolute Honesty - Students should never lie, deceive, mislead or fail to tell the truth. (Romans 13:13)
- Christ-like behavior - In all attitudes and actions, students should live according to Biblical principles and values. (Ephesians 2:10, 5:1)
- Dependability - Students should keep up with their work and accept the necessary responsibilities. (Matthew 5:34 - 37)

***These standards should be upheld by CCA students on as well as off campus.**

To make rules to govern every type of infraction to good conduct would be impossible. Good behavior must come from the heart in love and obedience to Jesus Christ and should not merely be conformity to man-made regulations.

The administration is experienced and trained in meeting the needs of young people and helping them to be found "in favor with God and man." Parents, as well as students, are encouraged to contact the administration in relation to behavioral difficulties. Effective discipline for the betterment of young people requires courage, consistency, conviction, diligence and enthusiastic effort on the part of parents and school personnel.

Our goal for each student:

- To know the love of Jesus Christ through example and teaching, to learn the importance of showing this love to others.
- To acquire a lifestyle of Christian character, morality, respect, and responsibility.

- To participate in acquiring the very finest education attainable in a school whose expectations are constantly being increased.

To find daily at CCA an atmosphere of love, joy, righteousness, and respect.

School Conferences

Please feel free to consult with teachers regarding any problems or questions that concern your child. It is the desire of the administration and the faculty to be of service to both parent and student, and each teacher welcomes a visit from any parent.

Please do not go directly to the classroom in the morning or afternoon to conference with a teacher. Conferences must be made by definite appointment with the teacher at a convenient after-school hour. If you need to talk with a member of the faculty, please call the school office between 8 a.m. and 4 p.m. to set up an appointment.

Problem Resolution Procedure

The Christian approach to a problem resolution is always the best approach. Please take time to pray and reflect on the 18th Chapter of Matthew and then take the following steps:

- Pray about the situation of concern.
- Arrange a conference with the teacher or person with which the problem has occurred. Discuss the problem with that person in an orderly and Christian fashion. Both parties should always keep in mind that the students of Cornerstone Christian Academy are the most important people in the school.
- If the problem is not resolved to your satisfaction, call the school office to request a conference with the dean of students/principal.
- If the problem persists after a conference with the dean of students/principal, call the main office to request a conference with the administrator.
- The final step will be to contact the main office to request a call from the president of the board of directors and a hearing before the school board.

****Please do not make contact out of order of the problem resolution procedure for you will be asked if you have followed the procedure. You will be requested by the person contacted to follow the correct procedure.**

The Matthew 18 Principle is one of the most important principles for conflict resolution. Defined it means: If a person has a question or a complaint about a certain situation, he/she should go directly to the person it involves. **DO NOT TALK ABOUT IT WITH OTHERS!** If it cannot be resolved on that level, then the teacher, the parent, and the administrator will join together and try to resolve it. The administration of CCA wishes to maintain an "Open Door" policy to parents. We want to know your concerns, suggestions, and praises. A parent survey is conducted periodically which offers a formal way for parents to give input. Please do not hesitate to come to us-- we want to keep lines of communication open. If there is a problem, talk to someone who is in a position to help solve it! However, please give the teacher an opportunity to help you. Parents are expected to support administration and staff. If they find they cannot do this, they should seek another

school for their child.

All efforts will be made by the school and teacher to help the student continue their studies at home. Return to school may be no earlier than six weeks after the baby's birth.

Boys: Traditionally, society places little or no responsibility on the boy involved in the pregnancy. Cornerstone Christian Academy believes that he must also be accountable and follow the same policy as the girl, even if the girl doesn't attend CCA.

Drug Testing Policy

All students attending Cornerstone Christian Academy (CCA) are subject to be randomly drug tested throughout the school year. Testing will occur under the following terms: randomly testing all students, randomly testing by grade, or randomly testing a student with reasonable suspicion.

Right to Search and Seize

To protect the school environment, CCA administration has the right to search and seize students' lockers, vehicles, and other belongings on school grounds. CCA reserves the right to use drug dogs to search school premises. Unannounced periodic visits will be made to the school and to school-sponsored events. Lockers, automobiles, and other areas of the school grounds will be searched. Students will be held responsible for any prohibited items found in their lockers, belongings, or automobiles. Should prohibited items be found during a school check, the violator(s) will be disciplined under district policies and may be prosecuted under local, state, or federal laws. Illness

Medication

The class does participate in outdoor activities each day, weather permitting.

If a student is to take any medication while at school, he/she must have on file in the office, the Authorization for Administration. This form is available at the office and must have a physician's signature. (It is to be completed each school year.) The medication to be dispensed will be kept in the office. Medicine must be properly labeled. If your child requires medication during school hours and we do not have signed authorization it will be necessary for you to stop by and personally give it to him. Teachers will not be held responsible for carrying out these duties.

Patriotism

"Patriotism is an inner feeling that is difficult to define; for each of us it has a different meaning and each of us meets it with a different emotional reaction-a feeling of pride, gaiety, a lump in the throat and a tear in the eye, a swelling of the chest and a quickened breath, a fierce desire to battle for that which we believe, and even the dedication of one's life to a cause. We feel that the school should play an important part in developing patriotism in all its aspects. The small child is just beginning to have feelings of loyalty and pride, and these will grow best in an

atmosphere of love and security, in aroused interests and broadened fields of knowledge, in chances to work with others, and through good examples in everyday living." (Excerpt from *Planned Patriotism*.)

Leave phones in your vehicle or turn it into the office upon arrival. On extracurricular events: The sponsor must approve possession of a phone.

Possession of a cellular phone or a smart watch will result in disciplinary action, as well as confiscation of the phone/smart watch. The following policy will be used:

Failure to do so may result in detention, class suspension, corporal punishment, or other disciplinary procedures. If you lose a book, you will need to bring money the following day to purchase another textbook. Losing your books will not be a valid excuse for coming to class without your textbooks!

Transportation

Arrival: The gates will be opened at 7:30. The tardy bell will ring at 7:45. 6th - 12th grade students will enter the north double door of the Gymnasium. Vehicles will enter from the west of the gym on the back road and exit through the middle exit driveway onto Hwy. 65. Student parking will be in the north vacant lot beside gymnasium.

Dismissal: Students will be dismissed at 4:00 on Monday – Thursday. Vehicles will follow the same flow of traffic as did for arrival. If you have not picked your child/children up by 4:15 a \$5.00 after school care fee will be applied to your account. If you have not picked up your child/children by 4:25 a \$10.00 fee will be applied, by 4:35 a \$15.00 fee will be applied.

If an elementary student rides with an older sibling, the elementary student must remain in the elementary pickup line until his/her older sibling drives through the line to pick up him/her.

In order to provide for the safety of our students, we ask that you follow the directions of those directing traffic.

Restriction on Child Pickup:

- If a student is riding with someone other than the parent, a NOTE, TEXT, PHONE CALL, OR EMAIL must be sent to school by the parent, stating with whom the child is riding.
- All parents must go through the pickup line to get their children. Students will not be allowed to go to the parking lot unless you come and get him/her from the pickup line.
- If parents are divorced or separated and one parent is not allowed to see or pick up the child, we must have on file at the office a certified copy of the court order of Final Judgment.

Visitors

It is mandatory that all visitors check in at the main office if they need to leave something for the student or teacher or if they have to pick up the student. Do not go directly to the classroom, as this interrupts the teaching.

Parent-Teacher Meetings

Parent-Teacher Meetings will be held for grades K-12 on the following days. This will result in an early out school day. School will be dismissed at 2:00 PM. Parent-Teacher Meetings are scheduled from 2:30 PM - 6:00 PM on the following dates:

September 18th

March 19th

Gradelink-Report Cards and Progress Reports

All grades are posted on Gradelink. Student codes will be passed out at orientation. A SmartSend (SchoolCast) will be sent out notifying parents when final grades or progress reports are officially posted. If you would like a hard copy of your child's report card or progress report, notify the office.

Important Notice: If a balance exists on a student's account, the report card will not be sent.

Valedictorian and salutatorian must have taken Trigonometry (or College Prep Math equivalent), two years of a foreign language, and College Prep Chemistry. Honor Graduates must have earned an overall GPA of 3.5. They must have taken Trigonometry (or College Prep Math equivalent), two years of a foreign language, and College Prep Chemistry.

CCA Early College High School (CCA-ECHS)

ECHS provides advanced curricular opportunities, helping meet the new federal requirements for enhanced academic rigor. The CCA-ECHS provides students' access to the higher education state core. This rigorous curriculum should exceed the federal requirements for a rigorous high school curriculum, increases the number of Arkansas citizens with a post-secondary degree by providing educational opportunities to all students, addresses college remedial classes and college retention problems, and eliminates the duplication of high school advanced courses and college core courses. All college courses taken through the CCA-ECHS program are weighted high school credit.

Sample of suggested classes:

- | | |
|--|----------------|
| • Sophomore year = Freshman Comp I and II | Total 6 hours |
| • Junior year = 2 college classes per semester | Total 12 hours |
| • Senior year = 2 college classes per semester | Total 12 hours |

Total college credit upon graduation = 30 hours! = Sophomore in college

Dropping and Adding Courses

Permission from the administration is required for a student to drop or add a course after enrollment. No course may be dropped or added after the second week of school. After this date, a student dropping a course will receive a grade of "F" in that course.

Transfer of Summer School Credits

Students should secure permission from the principal before enrolling in summer courses at another school.

Sports

Cornerstone Christian Academy is a member of the Heartland Christian Athletic Association and adheres to their policies and guidelines. Should student population allow, students will have the opportunity to participate in the following athletic activities:

Boys- archery, football, basketball, baseball, soccer, and track

Girls- cheer, baton, archery, volleyball, basketball, softball, soccer, and track

- Homeschool students must sign CCA policies and adhere to these in order to participate in extracurricular activities or events at CCA.

Eligibility for Athletics

Each year a physical must be completed and turned into the office before participation is allowed in any sport. All students participating in interscholastic sports must have school time insurance.

Athletes must have a 2.0 cumulative GPA and no F in any classes. Grades will be checked at progress report time and at the end of each quarter. If a student is ineligible at these check points, they remain ineligible until the next progress report or 9-week period, whichever applies.

Right to Amend

Cornerstone Christian Academy reserves the right to make, amend or prescribe rules and policies for dress, appearance, or any other unforeseen problems that may arise at any time during the school year. The school expects full cooperation from both students and parents in the education of the students, in adherence to all school plans, policies, and regulations.

A parent should never undermine any aspect of the school program and is requested to refrain from any comments, which would be against the school, personnel, students, or parents.

There are proper channels which have been outlined in this handbook in which the problems or disagreements can be discussed. Only through proper channels can we solve the problems to the satisfaction of all concerned.

Parent Agreement Pledge

By my signature below I certify that I am in agreement with the following provisions:

I hereby place my confidence in the ability of the administrative staff of CCA to assist in the education of my child according to the Christian Philosophy of Education.

I pledge to pay any financial obligations to CCA on the date due and understand that late fees will be assessed when payment has not been made by the 25th of the month. I hereby agree to pay tuition for ten months from August through May. Advance payment will also be accepted.

I give permission for my child to take part in all school activities, including school sponsored trips away from the school premises and absolve the school from any liability to me or my child at school or during school activities.

I will try to encourage other Christians to consider the importance of Christian education. I will pray daily for the school and its needs.

I agree to accept all regulations of the school and authorize the school to employ such discipline, as it deems wise and expedient for my child. That includes the use of corporal correction should the administration of the school deem it advisable for the

CORNERSTONE CHRISTIAN ACADEMY HANDBOOK 2026-2027

improvement of behavior and development of character in my child.

I realize that my child's education is my responsibility. I will do all that I can to see that my child does his homework carefully and accurately. I will be committed to helping him in any way that I can.

I will try to attend all parent functions including Parent-Teacher Conferences.

I understand that CCA utilizes surveillance cameras that record both video and audio at all times to ensure the safety of students, staff, and others while on our campus.

I understand that CCA will photograph students for inclusion in the yearbook to document and celebrate school events and activities.

I understand that CCA reserves the right to expel any child at the discretion of the administration. I understand that there will be a conference with the parents before such action is taken.

I realize that occasionally children take issue with actions that they do not agree with and that they could criticize statements out of context. I pledge that I would not support the child's criticism; that I will support the school personnel and call in for full details any time I have a question concerning the fact. I realize that taking my child's criticism in a school dispute is formula for failure.

I understand that, if the student is dismissed or withdraws from the school for any reason, I will be charged the full month's tuition even if he has not attended the entire month.

I will seek the advancement of the school in every area. I realize that our Christian school cannot prosper unless we as parents give of our time, money, energy, and support.

At no time will I participate in destructive criticism of the staff or school to my child or others, but will instead, if a problem arises, go directly to the teacher or administrator in a loving, Christian manner, as indicated in Matthew 18.

Student Agreement Pledge

As a student of Cornerstone Christian Academy, I realize that I am a representative of Christ both on and off campus. Therefore, I pledge to make my conduct, dress, and manner of life, a testimony to Christ's presence in my life. I will not knowingly do anything to dishonor His name while a student of Cornerstone Christian Academy. I resolve to daily live out Christ's commission to lead others to know Him. I hereby pledge that I will not use tobacco, alcohol, or drugs while a student of Cornerstone Christian Academy, and I pledge to keep myself morally and sexually pure as taught in God's Word.

Pledge Signatures

Student/Parent Handbook Agreement Pledge

**** These pledges must be signed and returned the first day of school. ****

This student/parent agreement pledge must be signed by each parent and student that is enrolled at CCA. All forms will be kept on file in the school office. If it is found at any time that the student is in violation of this pledge, the student will be counseled and the parents notified. If a change in conduct does not occur, disciplinary action will be taken.

CHROMEBOOK POLICY

The policies, procedures, and information within this document apply to all Chromebooks used at Cornerstone Christian Academy (CCA) by students or guests, including any other device considered by the Administration to fall under these guidelines.

Teachers may set additional requirements for Chromebook use in their classroom.

Receiving Your Chromebook:

- Chromebooks will be distributed once **all handbook forms have been completed and returned.**
- No personal Chromebook or laptops may be used unless students receive prior approval from administration.
- Parents & students must sign and return the Chromebook Policy Sign-off and Student Pledge document before the Chromebook can be issued to their child.

Training:

- Students will be trained on how to use the Chromebook.

Return:

- Student Chromebooks and accessories (charger, case, and earbuds w/mic) will be collected at the end of each school year for maintenance over summer vacation.
- Students will retain their original Chromebook and case each year while enrolled at CCA for the lifecycle of the device.
- Any student who transfers out of CCA will be required to return their Chromebook and accessories.
- If a Chromebook and accessories are not returned, the parent/guardian will be held responsible for payment in full. If payment is not received, transcripts will not be transferred and the parent/guardian will be turned over to a collection agency.

Taking Care of Your Chromebook:

Students are responsible for the general care of the Chromebook which they have been issued by the school. Chromebooks that are broken or fail to work properly must be reported via the technology ticket system. The student's homeroom teacher will help the students fill out the technology repair ticket.

General Precautions:

- No food or drink is allowed next to your Chromebook while it is in use.
- Cords, cables, and removable storage devices must be inserted carefully into the Chromebook.
- Students should never carry their Chromebook while the screen is open unless

CORNERSTONE CHRISTIAN ACADEMY HANDBOOK 2026-2027

directed to do so by a teacher.

- Chromebooks should be shut down, when not in use, to conserve battery life.
- Chromebooks should never be shoved into a locker or wedged into a book bag as this may break the screen.
- Do not expose your Chromebook to extreme temperature or direct sunlight for extended periods of time. Extreme heat or cold may cause damage to the laptop.
- Always bring your laptop to room temperature prior to turning it on.

Carrying the Chromebook:

The protective shell of the Chromebook will only provide basic protection from everyday use. It is not designed to prevent damage from drops or abusive handling. Carrying the Chromebook in the school issued case is required when not in use.

Screen Care:

The Chromebook screen can be damaged if subjected to rough treatment. The screens are particularly sensitive to damage from excessive pressure on the screen.

- Do not lean on top of the Chromebook.
- Do not place anything near the Chromebook that could put pressure on the screen.
- Do not place anything in the carrying case that will press against the cover.
- Do not poke the screen.
- Do not place anything on the keyboard before closing the lid (e.g., pens, pencils, notebooks).
- Clean the screen with a soft, dry anti-static, or micro-fiber cloth. Do not use window cleaner or any type of liquid or water on the Chromebook. You can also purchase individually packaged pre-moistened eyeglass lens cleaning tissues to clean the screen. These are very convenient and relatively inexpensive.

Using Your Chromebook at School:

The Chromebook is intended for use at school each and every day. In addition to teacher expectations for Chromebook use, school messages, announcements, calendars, Gradelink, academic handbooks, student handbooks and schedules will be accessed using the Chromebook. Students must be responsible for bringing their Chromebook to all classes, unless specifically advised not to do so by their teacher.

At Home:

All students are required to take their Chromebook home each night throughout the school year for charging. Chromebooks must be brought to school each day in a fully charged condition ready for use every day. Repeat violations of this policy will result in referral to administration and disciplinary action. If fully charged at home, the battery will last throughout the day.

Sound:

Sound must be muted at all times unless permission is obtained from the teacher. CCA

will provide students with one set of earbuds or headphones.

Printing:

Printing functionality will be available on a limited basis at school and subject to classroom requirements. Teaching strategies will facilitate digital copies of assignments.

Managing Your Files and Saving Your Work:

Students should save documents to their Microsoft Office 365 account, or they may save to an external memory device such as a USB flash drive. Saving to their Microsoft Office 365 account will make the file accessible from any computer **with internet access. You MUST be connected to the internet!** It will be the responsibility of the student to maintain the integrity of their files and keep proper backups. Students will be trained on proper file management procedures.

Personalizing the Chromebook:

Chromebooks must remain free of any decorative writing, drawing, stickers, paint, tape, or labels that are not the property of CCA. Spot checks for compliance will be administered by administration or CCA staff. Personalized media are subject to inspection and must follow the CCA acceptable use policy.

Software on Chromebooks:

Originally Installed Software: Chromebook software is delivered via the CCA Web Store. These are web-based applications that do not require installation space on a hard drive. The software originally installed on the Chromebook must remain on the Chromebook in usable condition and easily accessible at all times. All Chromebooks are supplied with the latest build of Google Chrome Operating System (OS), and many other applications useful in an educational environment. The Chrome OS will automatically install updates when the computer is shut down and restarted. From time to time, the school may add software applications for use in a particular course. This process will be automatic with virtually no impact on students. Applications that are no longer needed will automatically be removed by the school.

Virus Protection:

Virus protection is unnecessary on the Chromebook due to the unique nature of its design.

Additional Software:

Students are not allowed to install additional software on their Chromebook, other than what has been approved by CCA.

Inspection:

Students may be selected at random to provide their Chromebook for inspection. The purpose for inspection will be to check for proper care, maintenance, and inappropriate material.

Procedure for Restoring the Chrome OS:

If technical difficulties occur, technical support staff will use the "5-minute" rule. If the problem cannot be fixed in 5 minutes, the Chromebook will be restored to factory defaults. In a One-to-One environment, it is impossible for support staff to maintain a

working environment for all if too much time is spent fixing every glitch that may arise. Restoring the Chrome OS will restore the device to the state in which the user originally received it. All student created files stored on their USB flash drive or OneDrive will be intact after the operating system is restored. All files saved on the Chromebook that have been synced to Microsoft 365 will be intact. All other data stored on internal memory will not be restored.

Chromebook Identification:

Chromebooks will be labeled in the manner specified by the school. Chromebooks can be identified in the following ways:

- Record of serial number and school district asset tag
- Individual's Microsoft Office 365 Account username

Under no circumstances are students to modify, remove, or destroy identification labels.

Storing Your Chromebook:

When students are not monitoring their Chromebook (lunch/fellowship/athletics), they should be stored in their lockers. Nothing should be placed on top of the Chromebook, when stored in the locker. Students need to take their Chromebook home with them every night. The Chromebook should be charged fully each night at the student's home. Chromebooks should never be stored in an unattended vehicle.

Storing Chromebooks at Extra-Curricular Events:

Students are responsible for securely storing their Chromebook during extra-curricular events.

Chromebooks Left in Unsupervised / Unsecured Areas:

- Under no circumstance should a Chromebook be stored in unsupervised areas. Unsupervised areas include the school grounds and campus, the cafeteria, unlocked classrooms, library, locker rooms, dressing rooms, hallways, bathrooms, extra-curricular bus, in a car, or any other entity that is not securely locked or supervised.
- Unsupervised Chromebooks will be confiscated by staff and taken to the principal's office. Disciplinary action will be taken for leaving a Chromebook in an unsupervised location.

Repairing or Replacing Your Chromebook:

- Repaired Chromebooks will end up with the original factory image as first received. It is important that students keep their school data synced to cloud drives so documents and class projects will not be lost. Personal information that cannot be replaced should be kept at home on an external storage device.
- Students and parents will be charged for Chromebook damage. Parents will be billed for parts and labor.

Technology Acceptable Use:

The Internet and various forms of technology are a collection of networks that allows access to an unprecedented amount of information and resources. When properly

utilized, this can enhance collaboration, communication, learning, and classroom instruction. We are pleased to be able to provide this level of technology to both staff and students. With access to such a great wealth of information and resources, both staff and students (collectively referred to as “users”) must understand and practice proper ethical use. All users must understand their responsibilities regarding procedures, policy, and security before using the network.

Important General Usage Guidelines

A. CCA seeks to provide access to digital and online materials for learning. Only websites that are related to work, instruction, or research are authorized for use.

B. All games are strictly forbidden from use unless they are educationally related to the curriculum being taught.

C. Streaming video and audio is not authorized unless educationally or instructionally related.

D. All music sharing programs are banned from use on campus.

E. External and personal email, chat rooms, and instant messaging are not authorized for use on campus. Only school-approved and issued accounts (such as Microsoft 365 apps for Education, IXL, Renaissance Place, and education websites) will be allowed for educational purposes.

This policy includes all technology resources such as computers, mobile devices, and cell phones.

Computer Usage:

Users must never share their accounts with other users. Users are responsible for the accounts they have been issued. It is extremely important that the password issued to the user be kept confidential to ensure proper network security. Users are restricted from downloading, storing, or using any program designed to exploit network vulnerabilities. Copyrighted material such as music, pictures, media files, and programs shall not be downloaded or stored on any campus computer. Any user identified as intentionally sending or infecting computers will be subject to disciplinary action and/or legal action.

TECHNOLOGY USAGE GUIDELINES

Conditions, Rules, and Acceptable Use Agreement

INTERNET: Cornerstone Christian Academy (CCA) has actively pursued advanced

technology to provide access to learning opportunities for our students and staff. We believe that computers connected to the Internet will help propel today's schools into the information age by allowing students and staff to access and use information sources from distant computers, communicate and share information with individuals or groups of other students and staff, and significantly expand their knowledge base. The Internet is a tool for lifelong learning that will open the door to many advanced educational tools.

PROPER AND ETHICAL USE: With this new learning tool, students and staff must understand and practice proper and ethical use.

CONDITIONS AND RULES FOR USE.

A. Acceptable Use

1. The purpose of the Internet is to facilitate communications in support of research and education, by providing access to unique resources and an opportunity for collaborative work. To remain eligible as a user, the use of your account must be in support of and consistent with the educational objectives of CCA. Access to the Internet is made possible through an appropriate provider to be designated by CCA at its sole discretion. CCA and all users of the Internet must comply with existing rules and acceptable use policies, which are incorporated into this document.
2. Transmission of any material in violation of any United States or state regulation is prohibited. This includes, but is not limited to, copyrighting material, threatening or obscene material, or material protected by trade secret.
3. Use for commercial activities is generally not acceptable. Use for product advertisement or political lobbying is also prohibited.

B. Privilege

The use of the internet is a privilege, not a right. In appropriate use, including any violation of these conditions and rules, may result in cancellation of the privilege. CCA, under this agreement, is delegated the authority to determine appropriate use and may deny, revoke, suspend or close any user account, at any time, based upon its determination of inappropriate use by the account holder or user.

C. Monitoring

CCA reserves the right to review any material on user accounts, computers, and file server space in order for CCA to make determinations on whether specific uses of the network are inappropriate. In reviewing and monitoring user accounts and file server space, CCA will respect the privacy of those accounts.

D. Network Etiquette

All users are expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to the following:

1. Be polite. Do not use abusive language in your messages to others.

2. Use appropriate language. Do not use profanities, vulgarities, or any other inappropriate language. Do not engage in activities that are prohibited under state or federal law.
3. Do not reveal any personal information about yourself, students, or colleagues. This includes personal addresses and phone numbers.
4. Note that electronic mail (email) is not guaranteed to be private. People who operate the system do have access to all email. Messages relating to or in support of illegal activities may be reported to the authorities and may result in the loss of user privileges.
5. Do not use the network in such a way that you would disrupt the use of the network by other users.
6. All communications and information, accessible via the network, is assumed to be private property.
7. Personal purchases on the school Internet are prohibited.

E. No Warranties

CCA makes no warranties of any kind, whether expressed or implied for the services it provides. CCA will not be responsible for any damages a user suffers. This includes loss of data resulting from delays, non-deliveries, incorrect deliveries, or service interruptions caused by CCA negligence or by the user's errors or omissions. Use of any information obtained via the Internet is at the user's own risk. CCA specifically denies any responsibility for the accuracy or quality of information obtained through its services. All users need to consider the source of any information they contain and consider how valid that information may be.

F. Security

1. Security on any computer system is a high priority, especially when the system involves many users. Users must never allow others to use their password. Users should also protect their password to ensure system security and their own privilege and ability to continue to use the system.
2. If you feel that you have identified any security problem on the network, you must notify a system administrator. Do not demonstrate the problems to other users.
3. Do not use another individual's account.
4. Attempts to log on to the network as a system administrator may result in cancellation of user privileges.
5. Any user attempting to operate a malicious piece of software designed to hack, crack, or alter any part of the network, elevate user privileges, or produce unnecessary bandwidth consumption will have disciplinary action taken against them.
6. CCA may deny Internet access to any user identified as a security risk for having a history of problems with other computer systems.

G. Vandalism and Harassment

1. Vandalism and harassment will result in cancellation of user privileges.
2. Vandalism is defined as any malicious attempt to harm, modify, and destroy data of another user, the Internet or other networks that are connected to the Internet backbone. This includes, but is not limited to, defacing hardware, changing network or individual computer settings or configurations, uploading or creating of computer viruses, trojans, and other malicious software. Harassment is defined as the persistent annoyance of another user, or the interference of another user's work. Harassment includes, but is not limited to, the sending of unwanted email.

H. Procedures for Use

1. Student users must always get permission from their instructors before using the network or accessing any specific file or application. Follow written and oral classroom instructions.
2. All users have the same right to use the equipment. Therefore, users shall not play games (network or local) or use the computer resources for other nonacademic activities. In addition, users shall not waste nor take supplies, such as paper, printer cartridges, diskettes, or CD's that are not provided by CCA.

I. Encounter of Controversial Material

Although the district employs an Internet Filtering Device, users may encounter material that is controversial and which users, parents, teachers or administrators may consider inappropriate or offensive. However, on a global network it is impossible to control effectively the content of data and an industrious user may discover controversial material. It is the user's responsibility not to initiate access to such material. Any decision by CCA to restrict access to Internet material shall not be deemed to impose any duty on CCA to regulate the content of material on the Internet.

PENALTIES FOR IMPROPER USE

A. Any user violating these rules, applicable state and federal laws or posted classroom and district rules are subject to loss of network privileges and any other district disciplinary options.

B. In addition, pursuant to the State of Arkansas Law, any unauthorized access, attempted access, or use of any state computing and/or network system is a violation of Arkansas Penal Code and/or other applicable federal laws, and is subject to criminal prosecution.

Photograph/Video Release

During the school year, students are photographed and/or videoed while participating in class projects and events. These photos/videos are used in district publications. **Refusal must be approved by administration.**

Cornerstone Christian Academy acknowledges parents' wishes regarding not posting photos or videos of their child. However, we do not have control over pictures or videos taken or posted on social media by others.
